

Precision whatever the weather

Whether at the swimming pool or in the park, outdoor table tennis gives quality to your day out and creates a lot of action and movement. But you get the ultimate fun in playing table tennis when the playing surface is smooth.

Our playing surfaces yield an identical ball bounce to that of a professional indoor sports playing surface. They are made of polymer concrete which guarantee an authentic table tennis feeling and wear and tear less play fun over many decades.

TABLE TENNIS

www.maillith.de

What goes around

Make table tennis your own sport.

As a Figure 8 or circular shaped or with "Round Corners"-
we additionally offer you different shaped tabletops
besides the traditional shape.
